# LOCAL TRADESPERSON FINED £5000

**If you transport waste as part of your business, you must be registered as a waste carrier.**

Trades include electricians, plumbers, carpet fitters, scrap collectors and mobile mechanics.

For more information on registering search [naturalresources.wales/RegisterWasteCarrier](http://naturalresources.wales/RegisterWasteCarrier).

**You must also complete and retain waste documentation**

**If you hire someone to remove the waste you produce, you must check they are a registered waste carrier.**

## DID YOU KNOW?

Those found transporting waste without the correct licence can be given an unlimited fine.

**MAKE SURE YOU ARE REGISTERED IF YOU TRANSPORT WASTE**

**IT'S YOUR DUTY TO CARE**
