Er dyfodol ein cenedl

For our nation's future

Ein rôl ni yw rhoi diddordebau'r DU yn gyntaf

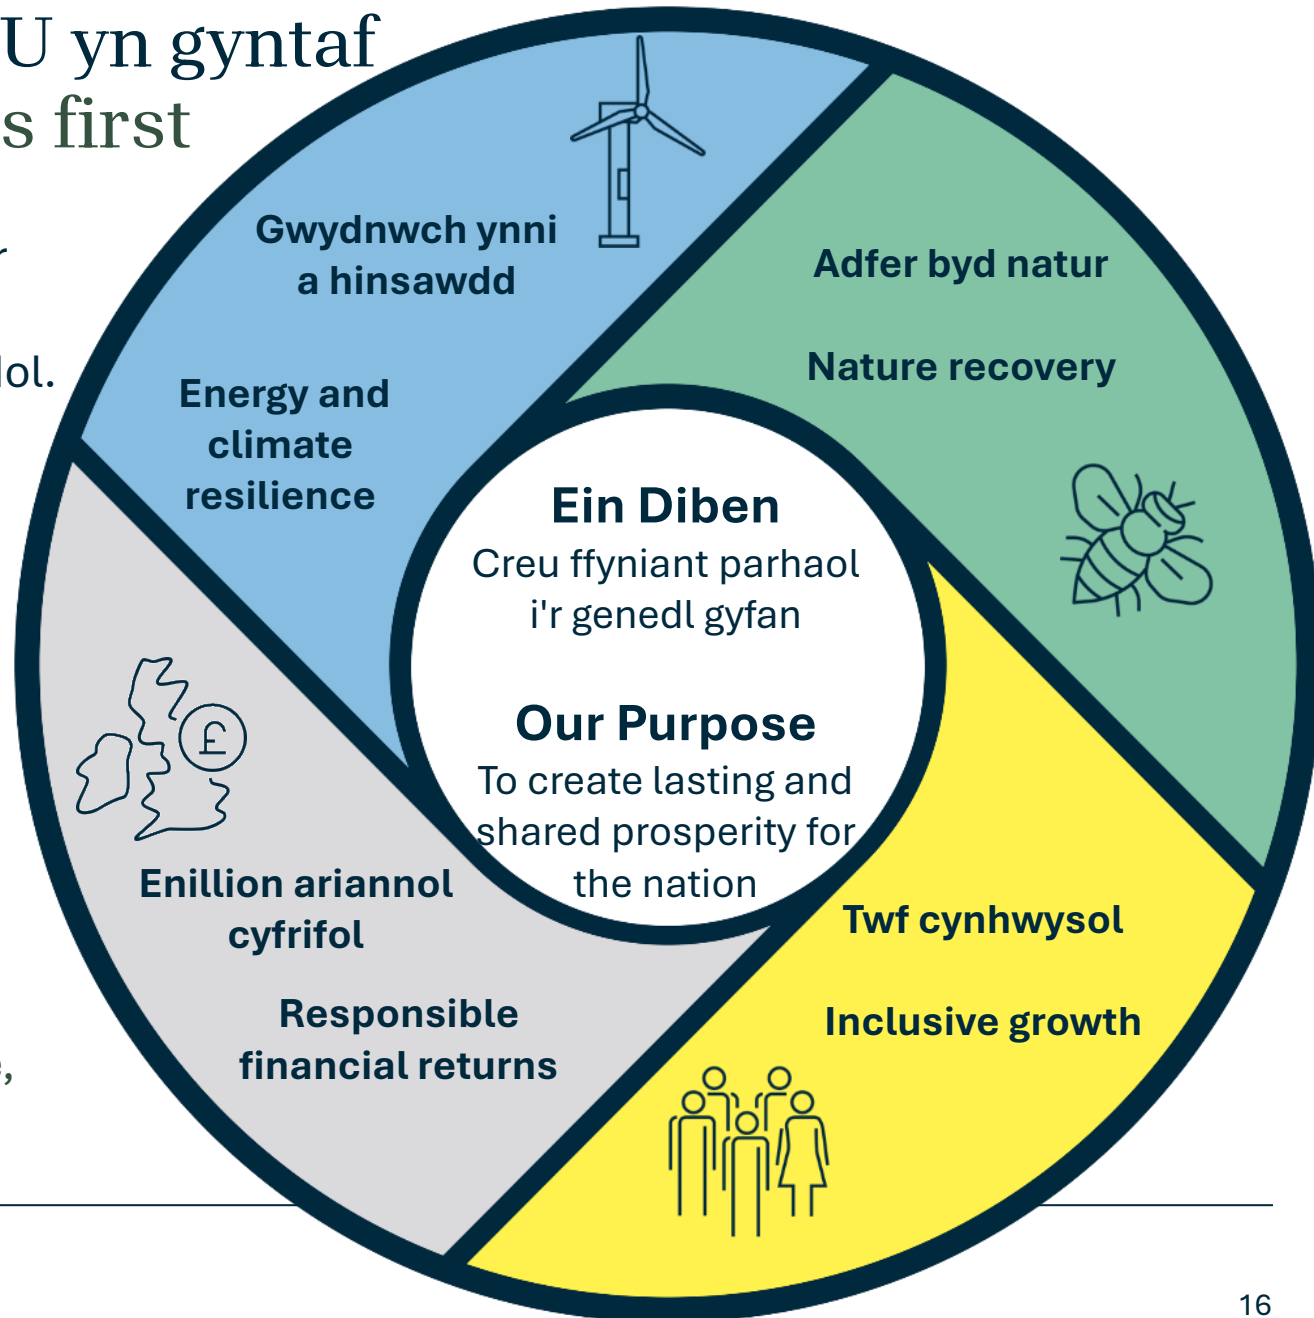

Our role is to put the UK's interests first

Yn Ystad y Goron, rydym yn rheoli tir, eiddo a gwely'r môr ledled Cymru, Lloegr a Gogledd Iwerddon – gan weithredu'n annibynnol, yn fasnachol ac ar gyfer y dyfodol.

Rydym yn dychwelyd ein helw i lywodraeth y DU ar gyfer gwariant cyhoeddus, ac yn buddsoddi i gael effaith gadarnhaol ar yr hinsawdd, byd natur, cymunedau a chyllid y DU, heddiw ac ar gyfer cenedlaethau i ddod.

At The Crown Estate, we manage land, property and the seabed across England, Wales and Northern Ireland — acting independently, commercially and for the future.

We return our profits to the UK government for public spending and invest to positively impact climate, nature, communities and the UK's finances, today and for generations to come.

Ein Huchelgais o Adfer Byd Natur Our Nature Recovery Ambition

Ein Gweledigaeth

Byd natur sy'n ffynnu ac yn cael gofal fel un o asedau mwyaf gwerthfawr y DU

Ein Dull

Gweithredu ar y cyd ar draws y tir a'r môr i adfer byd natur a chreu buddion parhaol i bobl, yr hinsawdd a'r amgylchedd.

Our Vision

Nature is flourishing and cared for as one of the UK's most precious assets

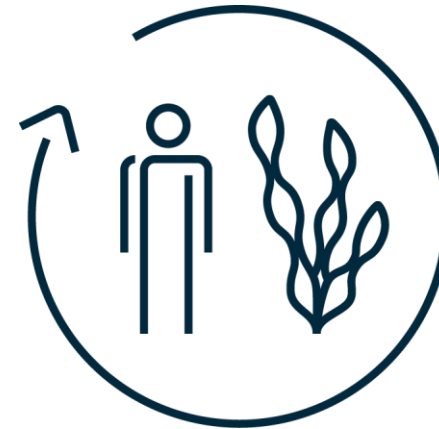

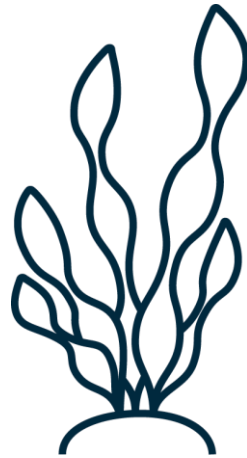

Our Approach

Joined-up action across land and at sea to restore nature and create lasting benefits for people, climate and the environment.

Gweithredu ein Huchelgais Natur gyda phedwar egwyddor arweiniol

Tystiolaeth yn nodi cyfleoedd i ddatgloi gwydnwch

Evidence identifying opportunities to unlock resilience

- Mae data SoNaRR yn gwella ein dealltwriaeth o bwysau a chyfleoedd allweddol i wella bioamrywiaeth
- SoNaRR data improves our understanding of key pressures and opportunities for biodiversity enhancement
- Mae defnyddio'r dystiolaeth orau sydd ar gael yn cefnogi cynllunio ar lefel system ar gyfer byd natur, yr hinsawdd a thwf cynaliadwy
