

A detailed topographic map of the Brecon Beacons National Park area in Wales. The map shows a network of roads, rivers, and numerous towns and villages. Blue location pins are placed at various points across the map, indicating specific locations of interest. The terrain is depicted with green for lower elevations and brown/orange for higher elevations. Key towns visible include Maesteg, Pontcymmer, Bridgend, and Ewenny. The map is oriented with North at the top.
